# BRINGING A SENSE OF COMMUNITY TO YOUR BADGE

## FREE CUSTOM SEAL...

With a minimum order of at least 25 badges or medals we waive the setup cost of your custom seal. Allowing any size department the ability to afford, and wear, a custom badge!

## SENSE OF COMMUNITY...

What is unique about your community? Whether it be a monument, a historic building, a landscape, or a body of water like Lake Boon in Hudson, Massachusetts, incorporating it into a new seal design transforms your badge from an ordinary badge into an extraordinary badge. A custom seal is a great way to show pride in your community.
